RE: Rulemaking: Chapter 246-924 WAC - Parenting Plan Evaluations

TO INTERESTED PERSONS:

On November 3, 1998, the Washington State Examining Board of Psychology (Board) filed with the Code Reviser a Preproposal Statement of Inquiry (CR-101) to initiate a rulemaking process to consider adopting minimum standards for Parenting Plan Evaluations. As a result, draft rule language was developed. The rule adoption hearing was held on May 14, 2004, and June 25, 2004. The Board considered all of the testimony at the hearing as well as the many written comments that were received. The Board has decided to hold additional public workshops to continue to refine the proposal. For a copy of the proposal please visit the Board's web site at <https://fortress.wa.gov/doh/hpqa1/hps7/psychology/whatnew.htm> or contact our office at the number provided below.
